## The CARTESIAN Study

The Artery Society, with the support of VascAgeNet, is launching a multicenter research project to explore the vascular consequences of Covid-19. Please have a look at <https://tinyurl.com/ydfehmtf> for more information.

Again, please spread the information and if you are interested in participation, Please [click here](#) to complete the online manifestation of interest form. You will receive all the updates on this project.

### Thank you clinician friends and colleagues

Dear clinician friends and colleagues of VascAgeNet,  
We are thinking of all of you who are currently fighting the coronavirus pandemic in the clinics and hospitals around the world. We are very grateful for all of your hard work to look after so many people.

We have put together a message for you all here:

[https://www.youtube.com/watch?v=Q5rTI\\_5IEpI](https://www.youtube.com/watch?v=Q5rTI_5IEpI)

### As a network, we are all behind you!

The feedback on the video has been tremendous. Thank you for all these emotional reactions, mainly by email but one per video message as well! We want to share the video message by Enrique with all of you – his video can be found here:

[https://www.youtube.com/watch?v=AwUKUHwAQ\\_0](https://www.youtube.com/watch?v=AwUKUHwAQ_0)

### Social Media

Our facebook page is now live, please like and share it.

<https://www.facebook.com/VascAgeNet-18216-101241358227681>

### Thank you and take care

As always, if there are any questions, do not hesitate to contact us! Best wishes,  
Rachel, Chloe, Milica and the Core Group
